Forest fascinate us due their diversity and the range of habitats they provide - from the deciduous and conferous forests of the northern hemisphere to the rainforest of the tropics. As well as their beauty, forests support more species of plants, animals and insects than any other habitat on earth. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
