Hidden (The Avena Series) Marianne Curley

For as long as Ebony can remember, she's been sheltered. Confined to her home in a secluded valley, home-schooled by her protective parents, and limited to a small circle of close friends. It's as if she's being hidden. But something is changing in Ebony. Something that can't be concealed. She's growing more beautiful by the day, she's freakishly strong, and then there's the fact that she's *glowing*.

On one fateful night, Ebony meets Jordan and she's intensely drawn to him. It's as if something explodes inside of her--something that can be seen from the heavens. Ebony still doesn't know that she's a stolen angel, but now that the heavens have found her, they want her back.
