Students learn best when they see concepts applied to examples from their everyday lives. With an abundance of relentlessly current examples, **Economics Today: The Macro View** appeals to today's diverse student population by presenting ideas clearly, at an accessible level, and in the context of newsworthy applications.

Each chapter begins and ends with an *Issues and Applications* feature, which introduces a timely issue in the chapter opener and analyzes the issue using the economic tools learned in that chapter at the end. This text is also available with MyEconLab®, which includes assessment questions that tie to these *Issues and Applications,* as well as ABC News video clips.

With **MyEconLab,** students can continue working problems online and receive personalized tutorial resources. Visit MyEconLab for more information.
