Beyond the Shadow of a Doubt: My Beloved Miranda Amy Krauss
Miranda Marie Gessner, a woman, born on August the 3rd of 1968, She is a gentle spirited woman, wife, Mother and homemaker enthusiast, shares her life experiences and what captives her heart and soul, in a compelling and beautiful way. She shares the true essence of beautiful womanhood, how to attain that, and how to find the simple pleasures in life. Beyond The Shadow of a Doubt is the second book following Still Waters Run Deep, of the classical novel Series, of the life of Miranda Marie Gessner. Follow along as you laugh and cry as Miranda shares moments of her life and reminds us that the things we treasure are each other and the lives we live. Warm touching and sensational and that is what life is all about. My gentle and humble-spirited character, Miranda Marie Gessner, pours out her very spirit on paper, conveying her very essence, inner-most being, the very nature of her soul and her intimate feelings, of the most profound moments and trying circumstances in her life, as a living testimony and inspiration to others. Miranda's heightened senses and raw emotion adds depth and character to the content and I cannot take away from that for it is her voice of who she is. Miranda describes everything as she feels it, to her it is very real to her. Miranda is a sensationalist and she sensationalizes on what she feels, what captivates her inner-most thoughts and that alone adds depth and character to the subject matter/content. That to me is what it's all about, as Miranda shares her feelings and how she experience's things in her own dialogue.
