Detroit Japan (Samurai Moon) Mr Claud Andru'
Quiami Liu, a young descendant of Japanese ancient sovereignty, is the sole survivor of an archaic Japanese tribe believed to be extinct. As a toddler, he was mistakenly taken on-board a cargo vessel from the docks of a Japanese city after being knocked unconscious and left amnesic after the ghastly and barbaric assassination of his parents by a power hungry half-breed member of the tribe. He was later found on-board the abandoned vessel just off the banks of the Michigan border. He is taken in and cared for by John Tribek, a Detroit PD detective of questionable character whose Good Samaritan intentions go only as far as they seem. Groomed and adopted by the detective and his fellow 'law' men, Quiami Liu and the detective's biological son followed in their father's footsteps and became decorated city lawmen. But the young Jap's heroic traits soon draws some unwanted attention all the way from the East, with the visitors' trip to see the popular Detroit city lawman not only bringing back lost memories but also the truth behind his father's heroic rescue act, inciting valiant efforts from the young lawman to avenge the lives of his current and long-lost loved ones.
