In May 2005, Natalee Holloway disappeared from a high school trip to Aruba. A 22-year-old Dutchman, Joran van der Sloot, was arrested in connection with the murder, only to be released after questioning. He admitted to being present for Holloway's death - but later recanted his statement. In 2010, on the five-year anniversary of Holloway's disappearance, a young business student in Peru named Stephany Flores Ramirez disappeared, only to be found dead three days later in a hotel room - registered to Joran van der Sloot. He was arrested, and confessed, but later claimed it was coerced. With unprecedented access to investigative files from law enforcement in multiple countries, *Portrait of a Monster* offers a chilling portrait of the alleged killer within an international manhunt.
