The Black Beast

The Black Beast Ford Berlin
The Black Beast spins an eerie tale about a purse with a voodoo curse that drives young and successful Amber Jade to the depths of despair in a nightmare chain of events that eventually forces her to attempt to assassinate the president of the United States. The hard-boiled mystery is set in Chicago and it's as tough as the big city gets. It's frank and honest, erotic with a purpose, but never obscene or graphic. There's some violence and it's spiced with Chicago mean-streets lingo, but it's really a poignant love story that conquers the Black Beast and delivers justice to all.
