The Life of Prophet Muhammad [PBUH]: Seerah of Prophet Muhammad [PBUH] Hadhrat Moulana Siddeeq Ahmad Baandwi Saheb [R.A.]
In every era numerous authors have written books of various sizes on the seerah (life) of Nabi [PBUH]. This service is still continuing and an assortment of gems will continue to be discovered from this vast ocean. There is no doubt that this insignificant individual does not possess the expertise required for this field. However, time and again this idea had surfaced that something should be written on this sacred topic regardless of the result with the hope that it may be a means of my salvation in the hereafter.
Thus, I undertook the task of compiling this small book by extracting different aspects from the various books authored on seerah.
I have taken special care to ensure that the language is of an understandable and simple level.
May Allah Ta'ala crown this effort with His acceptance and allow it to be beneficial for one and all. May it also be a means of my salvation in the hereafter.
