Rather than offer one-size-fits-all tools for love seekers, "Will I be Alone Forever?" gets to the root of the problem behind the frustration and anxiety so many daters feel by dishing out easy-to-digest advice with compassion and comedy. Filled with lessons on everything from online dating to rejection and sex, “Will I be Alone Forever,” unravels an enduring topic of concern for women and offers a revolutionary solution. By beckoning the reader to look within herself for the answers to her dating woes, the new book leaves her with a self-sustaining fix.

"Nikki captures a topic that trips a lot of young women up - relationships - in a practical easy to understand way. By taking seemingly esoteric and complicated topics that relationship gurus have been dishing for decades and serving them up in a lexicon that a new generation can understand, she truly creates a masterpiece that will ease your dating nerves for good. No dating rules or perfect man lists necessary. Just straight up practical wisdom that works for the long haul. If you're looking to attract more love in your life you need to read this book,” says Amanda Abella, Amazon Bestselling Author of “Make Money Your Honey.”
