Ancient Turkey: A Traveller's History Seton Lloyd
"An elegantly written account of Turkey's history by one of the greatest living authorities on the subject. . . . The historically minded visitor would be well advised to pack this beguiling book."—*British Archaeological News*

Seton Lloyd's lively account of Turkey's early history is for the increasing number of people visiting the ancient sites of this fabled land. Written by an archaeologist who spent much of his life in the Near East, the book is not a conventional "guide" to the antiquities of Anatolia. It is instead Lloyd's attempt to share his profound interest in an antique land, its inhabitants, and the surviving monuments that link the present to the past.
