He builds custom weaponry and owns a reptile preserve, and she is an EOD expert - Harley defuses bombs for a living. But nothing is more explosive than the love they share. Beau is determined to show Harley that he is worthy of her trust and that he is willing to protect her from anything that would cause her harm. But Harley has a mad-man on her trail and she can>t walk away from her responsibilities. Bombs, alligators, haunted plantations and Louisiana lore spice up their life, and danger and ghosts from their past threatens to tear them apart - but nothing can put out the white-hot flames of their Burning Love.
