Extreme Investing Changing the World One Believer at a Time Barry E. Willey
This book draws heavily upon personal testimonials from people who read Out of the Valley and were inspired and motivated to begin investing their life into another to help teach them the truths and principles of Jesus' life. Teaching others about the amazing hope and promise of eternal life that Jesus offers is the most important investment anyone can make. Much of our culture in America and in Western society gets its kicks by partaking in extreme events and activities--extreme sports, extreme eating, extreme drinking... and even extreme gardening. Why not extreme spiritual investing? Why not do this in an "all-out" way? Give it everything you have. Make it the focused purpose of your life. When Christians everywhere understand that this is their mission, their purpose... and they pursue it, it WILL change the world... one believer at a time.
