Guitar Face Series Box Set: Books 1-4 Sasha Marshall
This box set includes the first four books of The Guitar Face Series.
Guitar Face (Book One):
My story is not one for the faint of hearts. It's beautifully gritty, and heartbreakingly tragic. I was born into the world of rock-n-roll, a mere girl who only wanted to have her very own guitar face. Somewhere in between all the amps, cords, and guitars I found my place. I was born to make music and bring the masses to their knees... until, I wasn't anymore. Until the thought of doing all of this without him made me sick to my stomach.
I thought I could escape rock-n-roll, but I can't. My brother is a rock star and all the friends we have are connected to this business one way or another. I have a feeling I'll get sucked back in, but I'm scared I won't survive it. Perhaps I have a better chance at surviving rock-n-roll than I do Jagger Carlyle. Jag is my brother's best friend, and fellow vocalist and guitarist for their band Broken Access. I've loved him since I was a girl, but this industry and my own fear of rejection kept me from acting on it all these years. When the sparks start to ignite and the world attempts to keep us apart, I wonder if love is enough.
My story will bring you to tears from both sadness... and Kip. Kip is an idiot, plain and simple, but he's my best friend. He has a habit of waking me up with trashy Euro porn, and always knows the most inappropriate things to say. He's a drummer by night, and my partner-in-crime by day. I should've fallen in love with him, but he never shuts up. He's always my rock, and when Jagger rips me in two, Kip is the one at my side.
There's No Crying in Rock-n-Roll (Book Two):
Henley Hendrix, Queen of Rock-n-Roll, finds her world shattered again. She attempts to pick up the pieces of her life, but finds it difficult to claim her title in the world of rock when her personal life is turned upside down. Life begins to spin out of control, and so does her behavior. The Guitar Goddess loses her footing on reality when she feels betrayal from everyone she thought loved her. As the turmoil seems to proliferate, so does her attitude and conduct. Will she find herself amid all the chaos, or will the bright lights consume her?
Walking Back to Georgia (Book Three):
I died, and when I woke up in a Los Angeles hospital my best friend walked away from me. It wasn’t quite the welcoming back to the world of the living I thought I’d receive, but it rattled me. My dead best friend led me back to Georgia to get my life together, and while I’m working on it trouble follows me. I try to keep my distance from Jagger and company while I chase after sobriety, but a friend pops back into my life and a private moment is leaked to the world. One of the people I never thought would walk away from me did exactly that. I deal with rejection the best way I can, but before I can clear my head Cory and I are looking down the wrong end of a barrel and I’m forced to fight for my life. We complete our new studio album which means Broken Access and Abandoned Shadow will travel on a promotional tour to tell everyone we’re playing a world tour. While on the promotional tour, I run into jungle peepers, a riot of fans chasing me, a 1% motorcycle club and a one-eyed teddy bear, and two men fighting over me. I keep my head high through the drama, but then I’m asked to be in a steamy video for Broken Access which can only mean more trouble for me. Just when I figured out how to be the best version of me I can be and how to stay healthy, my eyes are open to something I never thought was possible. I must understand the difference between love and lust, and accept that I need a healthy relationship where I’m free to be me.
River of Deceit (Book Four):
Kip Paxton may be the perfect man. He's a sexy, tattooed, foul-mouthed, drummer god for Broken Access, and if that wasn't enough he snagged the Guitar Goddess herself. Where one door opens in life, another closes, and sometimes other doors burst wide open.
