My Child Has Autism: What Parents Need to Know Clarissa Willis
"Autism isn't something a person has, or a 'shell' someone is trapped inside. There is no 'normal' child hidden behind the autism… Autism is a way of being." --Jim Sinclair

There are no words to describe how families feel when they learn that a child they love has been diagnosed with autism. This book was written for those families. It explains autism in simple terms, discusses the major characteristics associated with autism, and offers simple strategies for helping children with autism function in their homes, at school, and in the community.

With the help of this book, families will begin to understand the puzzle called autism. It provides strategies for families to help their child:
• Learn to be independent
• Succeed in school
• Build social skills
• Communicate with others

Although there is no cure for autism, there is certainly hope. ***My Child Has Autism*** **provides strategies that are the result of Clarissa Willis' 30 years of experience working with children with autism and their families, as a teacher, speech pathologist, early interventionist, and consultant.**

From reader reviews:

Betty Castaneda:

The book My Child Has Autism: What Parents Need to Know can give more knowledge and information about everything you want. So just why must we leave a very important thing like a book My Child Has Autism: What Parents Need to Know? A number of you have a different opinion about book. But one aim which book can give many data for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or info that you take for that, you could give for each other; you can share all of these. Book My Child Has Autism: What Parents Need to Know has simple shape however, you know: it has great and large function for you. You can search the enormous world by open up and read a publication. So it is very wonderful.

Robert Beck:

Do you considered one of people who can't read satisfying if the sentence chained in the straightway, hold on guys that aren't like that. This My Child Has Autism: What Parents Need to Know book is readable through you who hate those straight word style. You will find the data here are arrange for enjoyable studying experience without leaving perhaps decrease the knowledge that want to supply to you. The writer of My Child Has Autism: What Parents Need to Know content conveys the idea easily to understand by many people. The printed and e-book are not different in the information but it just different available as it. So , do you continue to thinking My Child Has Autism: What Parents Need to Know is not loveable to be your top checklist reading book?

Jacob Gray:

This My Child Has Autism: What Parents Need to Know is great book for you because the content which can be full of information for you who always deal with world and have to make decision every minute. That book reveal it facts accurately using great organize word or we can state no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but challenging core information with beautiful delivering sentences. Having My Child Has Autism: What Parents Need to Know in your hand like getting the world in your arm, facts in it is not ridiculous 1. We can say that no e-book that offer you world in ten or fifteen moment right but this publication already do that. So , this is certainly good reading book. Hey Mr. and Mrs. occupied do you still doubt that?

Vikki Maynard:

This My Child Has Autism: What Parents Need to Know is new way for you who has fascination to look for some information given it relief your hunger info. Getting deeper you into it getting knowledge more you know otherwise you who still having small amount of digest in reading this My Child Has Autism: What Parents Need to Know can be the light food for yourself because the information inside this kind of book is easy to get by means of anyone. These books build itself in the form which can be reachable by anyone, yeah

I mean in the e-book application form. People who think that in book form make them feel tired even dizzy this book is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book sort for your better life along with knowledge.
