Convinced that the adoption has saved his life and made his future he settles into a comfortable and even elite routine, a Trader's Ring his goal.

Even as Jethri's initiation into the mysteries and joys of Liaden Festival bring him to manhood, he's forced to face Necessity and the facts of life: his adoption has also invigorated a net of unfinished Balance far more complex and potentially deadly than a simple Terran blood feud. He must embrace his Terran birthright as well as his Liaden connections while leaving behind the safety of the great Liaden trade ship Elthoria to defend his honor and that of shipmates past and present.
