Called to Action Dustin LaChance
Called to Action. Purpose: It's a buzzword these days whose meaning has been diluted and blurred to the level of catchy Facebook banners and running shoe commercials. Is your purpose really to run the four-minute-mile? To do the Thirty Day Burpee-Challenge? Or maybe get two PhD's? Once you have accomplished any number of these things, will you feel content that you have fulfilled your life's purpose? I would imagine not. So, what are you waiting for? It’s time to stop making excuses and get started making some positive changes. Some things may be difficult to hear, but change is not supposed to be comfortable or easy. Only you can decide to respond to what you read. It is your choice to adjust how you live each day, and it is also your choice if you remain unchanged and continue living how you have been. But I encourage you to turn the page and start your journey toward the fulfilled life you've only dreamed of.
