What Can the Famous and Notable Don Juan Teach You About Attracting Women In The Modern Age? Put These Bad Boys of History Secrets to Work to Attract and Seduce the Women You Really Want Did you know there is actually a step by step guide to attracting women, almost lost to romance history? It's true, and few men know about it. Sure, everyone knows that Don Juan was a great lover of women, and a few people are even familiar with the Lord Byron poem of the same name. But if you ask them WHY Don Juan was so attractive, they scratch their heads and give you a blank look. Yet strangely, what Don Juan did to attract women works even better in this day and age than it did when the character was created! My name is John Alanis, and for the past 8 years I have given all kinds of different men dating advice on how to attract the women they really want, no matter their looks, age, income, social status or past failures with women. One thing I recommend, that few men follow is studying past great lovers of women, a series of bad boys of history if you will. Human nature is unchanging, and the male behaviors that worked to attract women hundreds of years ago work even better today. Think about it: Don Juan had no internet, no dating sites, no phone, not even a car, yet he seduced many beautiful women in an age with severe social consequences for doing such a thing. Imagine what his secrets could do today, if you knew them! Here's good news: I have just released a book that reveals, in detail, how Don Juan seduced so many women, and how you can use his secrets to attract the women you really want, even that special one in this day and age. This book is a part of the Bad Boys of Romance History Biographies & Memoirs Seduction Series, the #1 seduction series every man should own. Here is what is revealed in The Forbidden Seduction Secrets of the Famous and Notable Don Juan: -What attraction really is and why most men have it all wrong -Don Juan's 10 step "famous romance" formula for attracting women (straight from the history of romance) that works even better in today's world -Why you do not have to be rich, famous, or good looking to get better results with women than the great Don Juan -How to add in Don Juan's romance secrets to your personality without changing who you are (famous people do this) -The 6 dangerous attraction killing pitfalls Don Juan advises men to avoid (famous people make it a point to avoid these) -How to succeed with Don Juan's secrets in the modern age in days, not weeks from now (it's the ultimate seduction series) ... and much, much more. When you model Don Juan in the modern age, you can't help but attract women because so few men engage in these fun, famous romance behaviors…and they're NOT what you think. Consider this: what will your life be like when you put these forbidden attraction secrets to work for you, secrets other men will never know about? Perhaps you'll repair a relationship gone bad, perhaps you'll seduce lots of sexy women like Don Juan did, or perhaps you'll use his secrets to finally attract that one special woman. All you have to do is click the orange button above and Don Juan's secrets are yours forever
