Harry Heron: Midshipman's Journey Patrick G. Cox
Be sure to read book two in the series, Harry Heron: Into the Unknown, to see where the adventure leads!

In the vein of Horatio Hornblower, Patrick G. Cox weaves an exciting, authentic tale of Harry Nelson-Heron, a young midshipman in the British Navy in the early 1800s. Born in 1789 during the Irish Rebellion, Harry must overcome the prejudice against the Irish, the ancient enmity between his family and another, and the usual hazards of an active and inquisitive youth in order to realise his dream of becoming an officer in Britain’s Royal Navy. When he and his faithful friend and companion Ferghal make the treacherous journey to London to find a ship, fate smiles on them. Harry is appointed a midshipman, and Ferghal joins him on the HMS Bellerophon as a seaman. Corsairs, diplomacy, and exploration challenge their skills as the seafaring life takes Harry and Ferghal across the seas and beyond.

This book is entirely a work of historical fiction. If you love 19th century British naval history and you demand authenticity in an author's knowledge of the great sailing ships during the Age of Sail, you can find no better than Patrick G. Cox. His writing is crisp, exciting, and engaging, and you will feel as if you are on the ship with Harry and the other officers and seamen as they carry out the orders of the Admiralty during the Napoleonic era.
