When TV commercial production coordinator Meg Curtis gets stood up by her longtime boyfriend, she vents her frustration by feverishly writing in a diary. At a time when she is unsure about all things romantic, she encounters 5th grade teacher Regina Baker at yoga class, a free-spirited single mom who is beautiful, playful, and impossibly intriguing. What starts as friendship, turns sharply toward something more as they learn they each share a love for very dark and unconventional sensual expression.

Shocked, yet thrilled by the intense level of Regina's erotic desire, Meg explores her own deep-seated desires that have been locked away in the shadows her whole life.

Erotic, amusing, and profoundly romantic, Owning Regina is a tale that will awaken you, possess you, and transport you to a reality that steams with passion and vulnerability.

This book is intended for mature audiences.
