Please Don't Tell My Parents I'm a Supervillain

Richard Roberts

Please Don't Tell My Parents I'm a Supervillain Richard Roberts
Penelope Akk wants to be a superhero. She's got superhero parents. She's got the ultimate mad science power, filling her life with crazy gadgets even she doesn't understand. She has two super-powered best friends. In middle school, the line between good and evil looks clear. In real life, nothing is that clear. All it takes is one hero's sidekick picking a fight, and Penny and her friends are labeled supervillains. In the process, Penny learns a hard lesson about villainy: She's good at it. Criminal masterminds, heroes in power armor, bottles of dragon blood, alien war drones, shapeshifters and ghosts, no matter what the super powered world throws at her, Penny and her friends come out on top. They have to. If she can keep winning, maybe she can clear her name before her mom and dad find out.
