Reflecting on America: Anthropological Views of U.S. Culture

Anthropologists travel back in time and across the globe to understand human culture?but, surprise, there is culture right here in the United States. This second edition of the best-selling textbook and anthology, *Reflecting on America*, again focuses on how we can recognize the common cultural thread running through diverse American phenomena?from heroin addiction and Big Business's efforts to shape the identities of children, to Civil War reenactments and the popularity of burlesque in the Midwest. In addition, this second edition includes chapters written especially for this volume on striptease, Burning Man, The Big Bang Theory TV show, and Groundhog Phil. Written throughout with verve and quirky humor, and offering "Questions for discussion" after every article, this book is perfect for undergraduate classes in anthropology and American studies. Drawing together twenty-two scholars with expertise in anthropological ideas about culture, *Reflecting on America* examines what it means to be American.

From reader reviews:

Betty Adkins:

What do you about book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your extra time? Or are you busy individual? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do in which. It said that about guide. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need that Reflecting on America: Anthropological Views of U.S. Culture to read.

Bethel Stockton:

As people who live in the particular modest era should be upgrade about what going on or data even knowledge to make these people keep up with the era that is certainly always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Reflecting on America: Anthropological Views of U.S. Culture is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

Sylvia Alexander:

Do you have something that you want such as book? The publication lovers usually prefer to decide on book like comic, small story and the biggest some may be novel. Now, why not striving Reflecting on America: Anthropological Views of U.S. Culture that give your pleasure preference will be satisfied by reading this book. Reading addiction all over the world can be said as the method for people to know world a great deal better then how they react toward the world. It can't be stated constantly that reading routine only for the geeky man or woman but for all of you who wants to possibly be success person. So , for all of you who want to start reading through as your good habit, you can pick Reflecting on America: Anthropological Views of U.S. Culture become your current starter.

Karina McDermott:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Reflecting on America: Anthropological Views of U.S. Culture can make you experience more interested to read.
