The Night Watch: 25 Years of Peculiar Service David Atlee Phillips
For 25 years David Atlee Phillips stood "the night watch" for the CIA. He directed Western Hemisphere Operations when the Chilean government was overthrown (with CIA help) in 1973.

Phillips details his experiences in 18 countries. Along the way, we learn much about "the company," certainly one of the least understood and most controversial pillars of our defense ever to have been invented.

"Phillips is as skilled a writer as he was a spook, and his astonishingly readable book makes a convincing case for the necessity of an intelligence service such as the CIA." --Joseph C. Goulden.
