The Tenth Harbinger: America's Exact Role in World History and Triple Destiny Revealed Watchman Bob
The Harbinger by Jonathan Cahn, on the New York Times Bestseller list for an amazing 52 straight weeks, opened America's eyes to the incredible accuracy with which nine harbingers (prophetic signs) derived from the Isaiah 9:10 prophecy foretold the destruction of the World Trade Center towers on 9/11/2001, the economic collapse of 2008, and possibly the end of the U.S.A. as a sovereign nation in the near future.

However, because Cahn failed to recognize the prophetic significance of an item that was discovered in the rubble of the north tower of the World Trade Center on January 31, 2002, by official 9/11 photographer, Gary Marlon Suson, *The Harbinger* is incomplete.

This book, *The Tenth Harbinger*, explains, based on thorough historical documentation and solid Scriptural support, how the item that has been overlooked by Jonathan Cahn and virtually all other expositors of Bible prophecy links Isaiah 9:10 to hundreds of other verses of prophetic Scripture that reveal the **exact** identity and **three-fold** destiny of the U.S.A., plus what the Lord commands His people in America to do before the soon-coming holocaust occurs.
