Who wants to rest in peace?

Want to have a happy afterlife as a ghost? Then, stay out of the bardo (your own personal hell); avoid your old meat-life--it only leads to trouble; and take your time with your unfinished business. In other words, rest in peace.

But, resting in peace doesn't work for JJ Lynch. He will have to break all the rules and risk everything to do the right thing and find his way in the afterlife.

Using technology developed at the University of Arizona, JJ communicates from beyond the veil to tell his mind-bending story of life beyond death in his own words
