Luhmann Explained: From Souls to Systems (Ideas Explained) Hans-Georg Moeller
What are systems? What is society? What happens to human beings in a hypermodern world? Niklas Luhmann addressed these questions in depth. This book introduces his social systems theory which explains specific functions like economy and mass media from a cybernetic perspective, integrating various schools of thought including sociology, philosophy, and biology. *Luhmann Explained* explores the great thinker’s radical analysis of “world society.” The book gives special attention to the present-day relevance of Luhmann's theory with respect to globalization, electronic mass media, ethics, and new forms of protest.
