Spiritual Living: An introduction to free thinking, the other side, and accessing your psychic and gifted abilities Katie A Nelson
'What is the difference between a spirit and a ghost?' 'Where are the signs I keep asking for?' 'What is a Spirit Guide?' 'Why are some people just straight awful?' Getting straight to the heart of it, this book is written in an easy to read, easy to understand, and easy to apply manner. It covers the very basics of the soul, the other side, and psychic senses. As a psychic medium, I'm asked many of the same questions, and off of that, I wrote this book. Questions like: 'What is the meaning of life?' 'What psychic gift do I have and how do I use it?' 'Why can't I get ahead in life?' 'Why do I keep getting sick with the same thing?' My wish is that from channeling my own spirit team and from my own life lessons, and the lessons of those closest to me, that this book points you in your right direction to living a loving, free, and adventurous life. Enjoy and Blessed Be xxx
