Test of Mettle (Captain's Crucible) Isaac Hooke

The survivors of Battle Group 72 are stranded on the fringes of known space. The brave men and women under Jonathan's command have already proven themselves in the heat of battle, but now he must further test their resolve, not to mention his own. With enemies at every turn, it seems combat against overwhelming odds is inevitable.

The path Jonathan chooses is laden with danger. One small mistake can lead to the ruin of the entire fleet. Will he steer his intrepid battle group through the stormy waters of the current crisis? Or will he fail, dooming them all to cold deaths in the void, captains and crews going down with their ships?

It is a trial like no other. A crucible that cannot be won with strength alone.

It is his greatest test of mettle yet.
