The Lightning Prophecy: The Lightning Witch Trilogy, Volume 1 Emily Cyr

Delaney Hagen's power to control lightning is unique, even among witches. That uniqueness has caused her to run and hide from her kind - and the other supernatural beings in the world. Finally, after years of running, she feels safe enough to settle down. But her life's calm is completely destroyed when her best friend is murdered.

Delaney teams up with the mysterious and sexy Reid Jamison to figure out just what is going down in her world. Delaney will have to make a choice between her life and love. Will she be the product of a prophecy, or will her fate be changed?

Reid Jamison knew this case wouldn't be easy. But with the money the coven was throwing at him, how could he say no? When he met Delaney Hagen, his whole world began to unravel. Faced with a prophecy, murders, love, and betrayal, will Reid be able to hang on to this new world? Or will it slip away?
