Breaker of Bones (Thomas Berrington Historical Mystery Book 2) David Penny
When mania creates a monster, only one man can stop the killing.
March 1483, and surgeon Thomas Berrington is making a reluctant journey to Qurtuba at the request of his master. He expects only to operate on a Spanish prince and return home to Moorish al-Andalus. But fate has something else in store for him and his companion, the eunuch Jorge.

A warped killer has been murdering young women and creating twisted creatures from their bodies. When Thomas is tasked by Queen Isabel to hunt down the culprit he is propelled into an unfamiliar world of religious mania where it is impossible to tell who is friend and who foe. Meanwhile Jorge is on a quest of his own—to track down the family he hasn't seen in almost twenty years.

When Jorge's new found niece is chosen as the Bonebreaker's next victim the pair are faced with their most dangerous challenge yet. Thomas and Jorge race to expose the killer before yet another life is taken - this time that of someone closer to them.

Breaker of Bones is the stunning continuation of the Thomas Berrington saga set in the final years of Moorish al-Andalus.
