Frontier Courtship Valerie Hansen

She had made a solemn promise to see her younger sister to safety in California. But the endless journey across the frontier was proving a heartbreaking test of courage and endurance for Faith Beal. All she had to sustain her was her steadfast belief in a loving God--and the guiding hand of a stranger who truly seemed heaven-sent.

Connell McClain was her selfless guardian as their wagon train slowly made its way west. And as they shared the dangers of the trail--and the closeness of a covered wagon--Faith felt the first tender stirrings of love for this roughhewn yet caring man. But would the secrets that seemed to haunt him threaten their growing feelings for one another?
