Sarafina Books 5-8 (Sarafina Collection) (Volume 2) Jen Carter
Sarafina and her friends have a plan to cure Mother Nature: they must find all the past Mother Natures--the Grandmothers of Nature--and get their help. Will the grandmothers know what to do? Or will Sarafina and her friends have to go back to the drawing board? Find out in books 5-8 of the Sarafina series:

#5: Sarafina and the Protected PyramidSarafina and her friends are off to meet the first Grandmother of Nature! Their journey takes them to Egypt where they find Grandma Neffie protecting a very important pyramid. Will they convince Grandma Neffie to take a break from her job and help them find a cure for Aurelia? Or will they come back to the castle empty-handed?

#6: Sarafina and the Bamboozled CountrysideMeeting the second Grandmother of Nature in China is off to a good start. Grandma Ann is kind, calm, and thoughtful--and she wants to help Sarafina find a cure for Aurelia. But could Grandma Ann be too kind, calm, and thoughtful? When she says it will take at least two weeks for a cure, will Sarafina and her friends find a way to speed the process along before it's too late?

#7: Sarafina and the Raging RainforestKeeping up with the third Grandmother of Nature is much harder than Sarafina expected. In the rainforest, Grandma Cora would rather swing from the trees like a monkey than stand around chatting. How will Sarafina and her friends convince Grandma Cora to help cure Aurelia if they can't get her to stay still? One thing is for sure: the Elements better play nicely if they want Grandma Cora's help. But will they?

#8: Sarafina and the Broken RulesThis is it: the last Grandmother of Nature adventure. Sarafina and her friends are off to meet Grandma Mickeyla--who happens to be Sarafina's mom. This trip is so different, and not just because Sarafina is excited to spend time with her mother. Mickeyla has an idea to cure Aurelia that is so crazy that it just might work. Can Sarafina and her friends make it happen? There's only one way to find out.
