Ursula Sinclair

The Prison Guard's Son: Young Guns Book One (Volume 1) Ursula Sinclair
I can only be who I am. Pike I never knew my mother. I tell people she died shortly after I was born, that stops any more questions. So I don’t have to say she was a convicted felon who died while in prison. Nor do I have to talk about the fact that my father was one of her guards. He raised me as best he could. The one thing I never had or wanted was a family, he was family enough. The only other thing I ever needed was my music. I never pretended to be anything other than what I am, but then she entered my life and my music suffered. I needed to be someone else, anyone else or I could never have her. She could never know the truth about me or I wouldn’t be there to save her. Eryn I never knew my father. Growing up in a large extended family, I was never alone. I just grew up without a father. He died before I was born and while I always had adult male relatives to help guide me, I still missed him. He never even knew of my existence, but I felt his presence every day of my life. His legacy helped shape me. Then I heard this voice one day, singing with such a soul deep loneliness. I had to respond. But when I did, he turned my world upside down. Then I found out the truth. This is the first book in the series but has an HEA and each book can be read as a stand alone. Contains adult situations. Violence. Must be 18+
