Coffee with the Buddha Joan Duncan Oliver
The most illustrious men and women of the past would have much to teach us if only, by some miracle of time travel, we could borrow an hour or so of their time - and get them to tell us just what it was that really mattered to them, what really made a difference in their lives, and what their strongest beliefs were. The imaginative and exciting new "Coffee with..." series from DBP enables us to do just that. A relaxed chat with Ernest Hemingway, Marilyn Monroe, or Plato, turns out to be highly informative and highly enjoyable.
