This compendium takes you into the fantasy world of Pony-girl racing. In the first Novel, ‘Frisky Begins’, 20 year old Emma Carter goes to sleep in her hostel in Mexico City and wakes up to find that she has been fitted into a leather harness, hooves, a bridle and a bit! She soon realizes that her abductors are hell bent on transforming her into a Pony-girl, and train her to become a racing filly! The vehicle arrives at a farm, somewhere in Northern Mexico and Emma begins her training in earnest. Her new owners rename her Frisky and when they find that she is extremely fit, they begin to train her on the race track. Frisky soon finds out that she not only has to please her masters, but also has to satisfy the sexual needs of her stable companion, Buck. In the second Novel, ‘Frisky and the Sheik’, Frisky’s training continues on the race track, after she has had her body adorned with a number of piercings and tattoos. On a trip to a race meet, Frisky is spotted by Sheik Husni, a handsome young Arab, who challenges her owners to race Frisky against his champion racer. It soon becomes apparent that the Sheik is hell bent on owning the young English girl and adding her to his stables in Dubai!
