Harvey the Peanut Meets Baby (Volume 1) Katelyn Kelley
Harvey the Peanut is a small dog with a big heart and he loves being the center of attention! He has no idea why mommy's belly grew so big or why daddy keeps saying the word "baby," but he is about to find out! Little does he know his world is about to get turned upside down when the newest addition to the family arrives. At first Harvey is excited to have a new buddy to play with… that is until he learns that babies can't throw a ball. Harvey gets really sad and begins to think that no one cares about him because everyone is always talking about, holding, and giving the baby love. Don't feel too bad for Harvey though because as baby Avery grows he realizes that she is a whole lot of fun! Readers of all ages will enjoy seeing their relationship grow, the adventures they embark on together, and the lessons that Harvey learns along the way.
