June Reverend Jen
Set in early '90s New York City, June, the novel, tells the story of a young artist named Alice who takes on work as a professional submissive in a Manhattan S&M dungeon. Alice adopts the workplace pseudonym “June” and soon after, the erratic lifestyle of a sex worker. Featuring a cast of characters ranging from her artist friends on the Lower East Side to her millionaire clients on the Upper East Side, it sheds light, not only on the all too common hypocrisy of the wealthy, but also on the fact that we are often happiest when we have nothing to lose. June's character is never a victim but a young woman with a writer's curiosity, no rent money and an ass made for spanking. Unflinching, debauched and full of heart and soul, you'll need a very large box of Kleenex just to get through the first couple chapters. Based on Rev. Jen’s own experiences in the industry, June offers humor, honesty and a firsthand account of the fetishes, obsessions and desires of grown men.

From reader reviews:

Jerald Elliott:

In this 21st centuries, people become competitive in each and every way. By being competitive currently, people have do something to make them survives, being in the middle of the particular crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. Sure, by reading a e-book your ability to survive enhance then having chance to remain than other is high. For yourself who want to start reading the book, we give you this particular June book as beginning and daily reading e-book. Why, because this book is more than just a book.

Robin Blakely:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a information or any news even a concern. What people must be consider if those information which is inside the former life are hard to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take June as your daily resource information.

John Lockett:

Playing with family within a park, coming to see the sea world or hanging out with buddies is thing that usually you may have done when you have spare time, and then why you don't try issue that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love June, you can enjoy both. It is good combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout fellas. What? Still don't have it, oh come on its referred to as reading friends.

Lynn Groff:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this June can make you truly feel more interested to read.
