**Kensington Gore's Ladies & Gents Joke Book** Graeme Parker, Leesa Wallace, Kensington Gore Kensington Gore's joke book is all about the battle of the sexes.... Ladies & Gents have carried on at each other's conveniences since the dawn of time. Some say the 'Battle of the sexes' will never be won, as there's "way too much fraternising with the enemy!" I love a good, long, hard 'FRAT!' This joke book is about the continuing love / hate relationship that men and women have had through the centuries. Men might be from "Mars", but some men say women talk out of Uranus! So seconds out Ladies & Gents. Come out laughing with this no holds barred look at why we should laugh at our differences. With jokes like... LADIES: What's the smartest thing a man can say? "My wife says...." How can you tell when a man is lying? You can see his lips move. Why do blokes hate wearing condoms? It cuts off the circulation to their brain. Why is a bloke's penis like the Rubik's cube? The more you play with it, the harder it gets. GENTS: My wife says I'm a lousy lover. I said how can she tell just after 30 seconds?! It's been so long since I've had sex, that I'm starting to fancy the wife. My wife said to me, “I need more space.” So I extended the kitchen. How is pubic hair like parsley? You push it to the side before you start eating.
