J.J. Green

Mission Improbable (Carrie Hatchett, Space Adventurer Series Book 1) J.J. Green
The galaxy is in crisis, and Carrie Hatchett is the last person on Earth who should be fixing it.
Carrie is a low-achieving daydreamer. After providing a good home for her butt-ugly dog and psychotic cat, her biggest challenge in life is to avoid being fired, again.
But a strange green mist sucks her beneath her kitchen sink, and an unusual clerical error leads to an offer she foolishly doesn't refuse.
The Transgalactic Council hire her to settle a conflict between the mechanical placktoids and the mysterious oootoon. Carrie must overcome her personal weaknesses and, for the first time in her life, succeed in her job, to uncover a threat to the entire galaxy.
Mission Improbable is Book One in the light-hearted, fast-paced Carrie Hatchett Space Adventures series.
"...like Scully and Mulder on acid."
