When I was looking for a name for my baby, I bought every book out there. They had all kinds of information about origins, meanings, statistics, etc.. The funny thing is half of the information was wrong!

I created this simply list to help give parents ideas. I tried to include a good variety of names without putting anything too silly in.

I hope this list of baby names for boys helps you find the perfect name. If it does, please leave a review! I would love to hear from you!
