Madison Fox just learned that her ability to see souls is more than a sight: It's a weapon for fighting evil. The only problem is she doesn't have a clue what she's doing.

On the positive side, her money problems are over, she's possibly discovered her purpose in life, and her coworker is smoking hot. On the negative side, evil creatures now actively hunt her, and deadly experiences are becoming the norm.

When she thinks it couldn't get worse, a powerful evil sets up shop at a local hotel's video game convention, and it's got its eye on more than the gaming geeks—it's hungry for Madison's soul. Madison needs to become an expert illuminant enforcer overnight to save her job, her region...and her life.
