Blood Will Follow (The Valhalla Saga)

Snorri Kristjansson

Blood Will Follow (The Valhalla Saga) Snorri Kristjansson
Starburst magazine called Snorri Kristjansson's *Swords of Good Men*--the first volume in the Valhalla Saga--"A cracking yarn (one that would make a great movie), filled with enough to satisfy any fan of Vikings and their mythology." Now this raucous and gripping fantasy adventure set in Viking Norway continues with *Blood Will Follow*, where plundering and pillaging are a way of life and creature comforts rarely exceed a mug of sour mead.

Ulfar Thormodsson and Audun Arngrimsson are battered, having barely survived the battle for Stenvik, waged between King Olav and the followers of the White Christ, and those whose allegiance remains to the gods of the Norse pantheon. Alas, the two Vikings' encounter with a mysterious witch just before escaping the town over the city's walls have left them without the one thing that made them human: their mortality.

While Ulfar heads home to Sweden, hoping to find a safe haven where he can come to grips with his newfound inability to die, Audun travels by foot to the south, searching for answers on the open road. But both men are about to discover that they cannot run from their destiny. King Olav has left the conquered town of Stenvik in the hands of his lieutenant so he can journey north, following the advice of the scheming healer Valgard, to hunt for the source of the Vikings' power.

Soon, Ulfar and Audun will realize they have important roles to play in the battle for supremacy between those seeking to spread the gospel of the White Christ and those who keep to the old ways of Odin, Thor, and Loki.

From reader reviews:

Jeanie Hynes:

What do you think about book? It is just for students as they are still students or that for all people in the world, exactly what the best subject for that? Merely you can be answered for that issue above. Every person has different personality and hobby for each other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Blood Will Follow (The Valhalla Saga). All type of book are you able to see on many options. You can look for the internet options or other social media.

Ernest Bryan:

Nowadays reading books are more than want or need but also become a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The information you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want truly feel happy read one using theme for entertaining including comic or novel. Typically the Blood Will Follow (The Valhalla Saga) is kind of publication which is giving the reader erratic experience.

Irvin Ehlers:

Spent a free time and energy to be fun activity to do! A lot of people spent their spare time with their family, or their very own friends. Usually they doing activity like watching television, planning to beach, or picnic inside the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your own personal free time/ holiday? Could possibly be reading a book may be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to try look for book, may be the e-book untitled Blood Will Follow (The Valhalla Saga) can be great book to read. May be it is usually best activity to you.

Martina Lassiter:

This Blood Will Follow (The Valhalla Saga) is new way for you who has interest to look for some information since it relief your hunger details. Getting deeper you onto it getting knowledge more you know or else you who still having small amount of digest in reading this Blood Will Follow (The Valhalla Saga) can be the light food for yourself because the information inside this kind of book is easy to get simply by anyone. These books build itself in the form and that is reachable by anyone, that's why I mean in the e-book type. People who think that in reserve form make them feel sleepy even dizzy this reserve is the answer. So there isn't any in reading a reserve especially this one. You can find what you are looking for. It should be here for you. So , don't miss the idea! Just read this e-book kind for your better life in addition to knowledge.
