**If We Shadows** D. E. Atwood

Born female, all Jordan wants is to slip under the radar and live the last year of high school as a boy. His parents and siblings support him, but he’d rather be recognized for his acting and musical talents than his gender issues.

When Shakespeare’s Puck gives him three magical potions?true sight, true seeming, and true love?Jordan discovers being true to himself isn’t as simple as he thought.

Jordan must navigate the confusion of first love, a controversial role in the fall musical, and his transgender identity, while fairy magic creates a net of complications over everything he does. In order to unweave the spells laid over his friends?his supportive older brother, James, his playwright friend, Pepper, and Maria, another transgender student?Jordan needs to understand exactly how far he’ll go to reach his goals of finding true love, true sight, and true seeming.
