The Beautiful Disruption: A Soul Story GG Renee Hill
The Beautiful Disruption is a vivid and inspiring work of lyricism, intelligence and emotion that uniquely sheds light on the processes of struggle and self-discovery. The Beautiful Disruption explores the dynamics of family mental illness, self-prophecy and transformation through the lens of a heartbroken woman. GG Renee wrote this book to put a poetic frame around her own inner conflicts and to encourage her target audience – complex, creative, introspective women – to embrace what they have been through and live their stories with their eyes and hearts wide open. In the words of Akilah S. Richards of RadicalSelfie.com, "The Beautiful Disruption is a manual for how to explore yourself without judgment. Who doesn't need that?"
