A SIMPLE, YET AMAZINGLY EFFECTIVE SYSTEM TO TRADE THE INDICES WITH BINARY OPTIONS *Make Money with Binary Options: Spot-on Indices Trading* reveals a simple yet effective and complete "plug-and-play" system to trade the world stock markets indices using binary options. **If you're looking to trade binary options then this book is for you.** It presents an easy-to-follow, complete system to successfully trade the world's stock market indices with binary options. This system is based on a simple yet extremely powerful idea: what worked in the past is more likely than not to work again in the future. The system trades only once a month and always uses the same type of binary option. Setting up a trade takes a couple of minutes at most: You just look up in a table if the index you have chosen is expected to go above or fall below a certain value and how much you should bet. You then log into your binary options broker's platform, enter those parameters and wait until the end of the month. The author of *Make Money with Binary Options: Spot-on Indices Trading* has over 25 years of trading experience and has taught courses in finance, accounting and real estate. He has written this book in an easy and understandable way that does not require you to have prior math or trading knowledge. *Make Money with Binary Options: Spot-on Indices Trading* describes a complete "plug-and-play" trading system. It comprises both a trading strategy and a money management system. The book starts by describing how the trading strategy is built. It also explains the concept of expectancy and how to use it to gauge if a strategy is worth trading and to rank strategies. The rationale of money management comes next, followed by a detailed explanation of how to place the monthly trade. Finally the gist of the system: a series of tables that contain the trading parameters to be used each month with the different indices. The Kindle version of this book is periodically updated to reflect new market data. You receive these updates automatically and at no extra charge. **It's as if you were subscribing to a trading newsletter but without paying the premium cost!** Buyers of the print version receive the Kindle version for free. **GET THIS BOOK RIGHT NOW: START TRADING CONFIDENTLY AND ACHIEVING SOLID RETURNS!** What readers say: *"This is a great read for anyone who want to get into the market." – Pukanecz "I have had some good success with this and I have made some good money." – Matthew "You need to read this if you want to do some trading with binary options." – Laura Groff "This is an excellent book for anyone wanting to learn how to get into trading using Binary options" – DC7113 "The book contains valuable information about the system trades and binary options." – Bookreader*
