Providence: Once Upon a Second Chance Chris Coppernoll

More than twenty years ago a drunk driver shattered Jack Clayton's family. Angry, confused and as naïve as any college freshman, he trades his small Midwestern town for another, only to find that it too is too small to contain his dreams. Or is it? Now an instrumental part of the Campus Missions Office and a New York Times Bestselling author, he makes his home in that very college town, where the past and "the one that got away" relentlessly haunt him and the future becomes increasingly uncertain thanks to a big city reporter with a malicious agenda.

Will he have to walk away from the ministry that he spent decades building? Or can he find a way to confront the rumors and set the record straight? In a race against the clock, Jack throws caution to the wind and finds that even he may deserve a second chance.
