The Rule of Luck: A Science Fiction Romance Catherine Cerveny

***The Rule of Luck* is a whirlwind thriller romance in a futuristic setting that will tug at your heartstrings while sending you on high-speed chases alongside a genetically enhanced (and incredibly handsome...) criminal mastermind.**

As a famed tarot card reader, all is well in luck and love for Felicia Sevigny - until Russian crime leader Alexei Petriv walks into her shop and demands a reading.

Petriv's future looks dark and full of danger, which wouldn't be Felicia's problem except that it's also aligned with hers. Felicia discovers she is the key pawn in Petriv's plot to overthrow the all-knowing government, and she must decide if she will trust him with her heart, body, and soul before the future of the entire human race collapses around her.
