The world Darkside is in turmoil when Chimera Marshal Steve Coll, bloody and beaten, makes it back to Maze City and into Maisie's arms. He bears a terrible message—The Sandman, the god of the world of dreams, is rising, and he's bringing devastation to the waking world. Steve must embrace his dual nature to save those he's sworn to protect. And yet, how can he fight a being who destroys everything in his path?

Even awake, no one is safe.

After the fall of the black market, Maisie Lane's city is overrun with criminals who want her dreamscape for their own. She's always envisioned Maze City populated, but not with people like these. Nevertheless, she must relinquish some of her control not only to save the man she loves, but to protect and defend her precious city. While friends and family face danger and betrayal, another enemy is lurking in the shadows.

As time runs out, Maisie and Steve must fight with everything they have, or lose it all, including each other. And even if they somehow prevail, nothing will ever be the same.

The Sandman is the seventh installment in the Reveler serial, a hot paranormal romance set in a world where shared dreaming is a new pop culture phenomenon that allows people to indulge their wildest fantasies. But there are also unknown dangers Darkside; nightmares are slowly infiltrating not only dreams, but the waking world as well.

Revel with me.
