Worth Fighting For (The Mitchells of Riverview Inn) Molly O'Keefe

This is one reunion Jonah Closky wants no part of. If not for his mother's wishes, he wouldn't even be meeting his estranged father and brothers. The real surprise about being at this inn, however, is Daphne Larson, an outspoken organic farmer who gives as good as she gets. Most remarkable of all, the smart, sassy single mother is making him yearn for things he doesn't even know he needs.

But taking their relationship further means coming to terms with his complicated feelings toward these men—his father and brothers. It means forgiving the past so he can build a future with Daphne…and finally have the family he's always wanted.
