Rogue Wave is Book 2 in the Water Keepers series.
After five months of blissful pretending, Sadie and Rayne are practically the couple of the year. At least, according to Sadie's friends at school they are. But she knows the truth. Their feelings are just an illusion. Now, with graduation and college right around the corner, Sadie realizes she can't put off the inevitable any longer. She has to make a choice. Take the easy way out and run away from her problems, as usual, or move forward with courage and discover her own destiny. But when Ash Hastings, the son of the black-eyed man who almost drove Sadie to her death last November and Rayne's supposed best friend, makes an unnerving appearance in Sadie's life again, the path to her future takes an unexpected turn. And this time, Sadie's life isn't the only one in danger.
