Set Free From Abuse

Dr. Clairie Monokian

Set Free From Abuse Dr. Clairie Monokian
Set Free From Abuse seems to offer a lot more than the average text on psychology or psychiatry in that it is based on the real and enduring personal experiences of its author. The details of the book progress from the painful reality of sexual abuse to the lingering struggle for a healthy sexual and spiritual identity, and culminate in the elation of deliverance, healing and restoration through faith in God.

This is a practical book for those who have suffered from abuse and the shame it produces. It is a hopeful book for those who have no hope. It is an honest book for people who are tired of religious clichés.

But, more important, it is a book that will provide a sterling example of God’s love and His power to reach into the darkness and shine His wonderful light. “Where sin abounded, grace abounded all the more” (Romans 5:20).
